A full-page view of a blank sheet of graph paper. The page features a uniform grid of small squares. A prominent horizontal line runs across the middle of the page, and a vertical line runs down the center, intersecting at the midpoint. These two lines divide the grid into four equal quadrants. The grid extends to the edges of the page, with a slight margin visible on the left side where the binding might be. The paper appears slightly aged or off-white.

## BOARD REVIEW NOTES
