NOTES:

This image shows a full page of graph paper. The grid consists of small squares formed by thin black lines. There are approximately 20 columns and 25 rows of squares. A thicker vertical line runs down the right side of the page, about one-fifth of the way from the right edge, creating a margin. Another thicker horizontal line runs across the top of the page, about one-tenth of the way from the top edge. The rest of the page is filled with the standard grid pattern.

General Remarks: OPEN FARK.
