Dear Ralph,

I am writing on behalf of Mr. and Mrs. Cephas Edwards concerning their property near Sandlick. This tract is presently being taxed as 25 acres as per Deed Book 158 at Page 476.

We recently completed work on a gas well in the area and found the Edwards property to contain 10.81 acres and not the assessed acreage. A copy of the plat is attached.

The Edwards respectfully request that your records be corrected to reflect the new acreage.

If I may be of further assistance, please do not hesitate to call.

Very truly yours,

B. Leman Kendrick, P.E., L.S.
